WilkinsonEyre has received over 350 design awards, shortlistings and commendations. These include back-to-back success for prestigious RIBA Stirling Prize in 2001 and 2002, and the RIBA Lubetkin Prize for an unprecedented two consecutive years. The award, for the best new international building by a British architect, was awarded to WilkinsonEyre for the Guangzhou International Finance Center in 2012, and the Cooled Conservatories at Singapore’s Gardens by the Bay in 2013. We have received over 58 RIBA Awards, 38 Civic Trust Awards and 20 Structural Steel Awards. Seven of our projects were awarded Millennium Product status, and a further nine have either won or been commended for the British Construction Industry (BCI) Awards.

1. Cooled Conservatories, Gardens by the Bay
2. 10 Brock Street
3. Liverpool Arena and Convention Centre
4. Royal Ballet School: Bridge of Aspiration
5. Bridge Learning Campus
